CARBON LIGHT TABLE LAMP

Looking for timeless and originally clean design, we meticulously hand-crafted carbon fiber into this timeless minimalistic piece, therefore blending original design with the finest materials. This Carbon Light will keep you laser focused when you're working, yet calm you when you'll want to relax. And it fits perfectly in the sophisticated Carbon Light collection.

DESIGNERS

Asobi is a design studio established by Gorazd Malačič in 1999. The studio made its international debut in 2005 at the London Design Festival with their prototype of the spellbinding Isle Lounge sofa. In 2006, Asobi received the Design Distinction (Silver) Award in I.D. Magazine's 52nd Annual Design Review for their fluid, futuristic Gwig LED luminaries. In 2014 Carbon Light, a high-performance modular LED suspension light, was selected as a finalist in lighting products at the Architizer Awards.
